

WILD ALCHEMY

B O T A N I C A L S

Brightening Serum Drops

Exfoliate • Brighten • Renew

WHAT IT DOES

A concentrated blend of AHAs, niacinamide, and fruit enzymes designed to gently exfoliate, refine texture, brighten uneven skin tone, and promote a more radiant complexion.

HOW TO USE

Evening Only

Cleanse gently and pat skin completely dry. Apply 3–4 drops, avoiding the eyelids, lips, and corners of the nose. Allow to absorb then follow with moisturiser. Do not rinse.

FREQUENCY

Use once weekly, preferably in the evening.

Sun Protection

Apply broad-spectrum SPF 30+ daily, wear protective clothing, and limit sun exposure while using this product and for one week afterwards.

BEST FOR

Dull skin • Congested skin • Uneven skin tone • Ageing concerns

PRO TIP

Consistency delivers the best results. Start slowly, observe how your skin responds, and increase frequency only as your skin becomes comfortable with regular use.

SAFETY

Patch test before first use. Avoid sensitive, broken or irritated skin. Do not combine with other exfoliating acids or retinoids in the same routine. Discontinue use if persistent irritation occurs. Always apply broad-spectrum SPF 30+ during the day.
